

## REMARKS

Sheets 4, 5 and 6 of the drawings, which contain Figs. 4(a) to 4(c), 5, and 6(a) and 6(b), have been amended in order to remove text which may be considered to be excessive text. Legends have been placed adjacent the figure numbers. The replacement sheets are believed to be in compliance with 37 CFR 1.84 and 37 CFR 1.121.

Early favorable reconsideration is respectfully requested.

Respectfully submitted,
